What You Will Work On

Our articled assistants work on live client files from the first month. In two years, you will see the full range of a CA practice, not just one corner of it.

- **Audits:** Statutory audit, internal audit, tax audit and bank audit, from planning to reporting.
- **GST:** Monthly returns, refund workings and filings, replies to notices, litigation and opinions.
- **Income Tax:** International taxation, transfer pricing, and Form 146 certification for foreign remittances.
- **Tax Litigation:** Drafting submissions for assessments and appeals, including matters before NFAC.
- **Start-up Advisory:** Accounting, payroll, and investor-friendly financial models used in fund raising.
- **Special Assignments:** Physical verification of Fixed assets and SBR (Customs) verification.

Why Join Us

- **Partner-led learning:** You work directly with the partners, who review your work and explain the reasons behind each decision.
- **Practical client exposure:** You attend client meetings and handle assignments end to end, which builds confidence early.
- **Regular training sessions:** In-house sessions on technical updates, drafting and practical issues that also support your exam preparation.
- **AI-enabled working:** Learn how a modern practice uses AI tools for research, drafting and data work, a skill the profession now values.
- **Team culture:** Team outings, festival and birthday celebrations, and a friendly, supportive office.
- **Easy commute:** Our office is just 500 metres from Road No. 5 Jubilee Hills Metro Station.
