By order of the Managing Committee
of the Hyderabad Branch of SIRC of ICAI

Sd/-
(CA. Deepak Ladda)
Secretary

Place : Hyderabad
Date : 16th July, 2020

Dear Professional Colleagues,

It is a matter of pride, as well as a pleasure and privilege, to share my thoughts as the Chairman of Hyderabad Branch of SIRC of ICAI for the year 2020-21, a position of utmost responsibility and accountability. The present team of Office Bearers took over on February 14, 2020 and it has been a fascinating journey so far, introducing and working on various initiatives. We have collectively agreed on some challenging targets for the year and I am happy to share that we have taken long strides towards achieving the same. A new change has been thought of and successfully implemented in most of our endeavours. The Hyderabad Branch of SIRC has successfully created positive impressions about itself amongst our fraternity and the ecosystem within which we operate, with appreciations far outnumbering the suggestions and observations. As we power ahead, we are cognizant of the fact that a lot more ground is to be covered, and that there is always scope for improvement, but the journey in itself should be a rewarding experience for the Branch, the Institute, the fraternity and the society at large.

The success achieved so far in this term is the result of active involvement and effective working of all the Managing Committee Members of the Branch. I also thank the timely support extended by the Regional Council Members, CA Chengal Reddy R, CA China Masthan Talakayala and CA Naresh Chendra Gelli V & the guidance of Central Council Member CA Dayaniwas Sharma, who was instrumental in arranging the Excellent speakers for Hyderabad Branch. I would also like to place on record my sincere thanks and appreciation to CA Bhanu Narayan Rao Y V, Chairman of the Branch for 2019-20, who led by example and cultivated the culture of good team work amongst the committee members, that not only makes it easy, but also enjoyable for me to execute.

Infrastructure

- In an era of expensive real estate, I am happy to share with you that the Branch has carved out space for a full-fledged Study circle for the benefit of its members, as well as a lunch room for its staff, totalling a plinth area of 980 sft, in the basement of the Branch premises, which was hitherto being used for storage purposes.
- The iconic Brahmayya Hall of our Branch premises, was fully refurbished with latest acoustics and seating facility, aimed at giving a pleasant learning experience to members.
- The Students' reading room, a long pending demand from the student fraternity, is now a reality. The fully equipped reading room facility at the main premises of the branch can house around 150 students.
- Apart from freshly painting the entire building, all minor repairs have been completed, lights and sound system improved in all the rooms, thereby giving a facelift to the entire premises.

- Work is in progress for having a members Lounge at Mezzanine Floor, wherein facilities of Free wifi and books of academic interest will be available to members for reference purpose. Refurbishment of staff seating area in Ground Floor is also in progress and a bit of Landscaping work is also planned to give a pleasant experience to members visiting the Branch.

New Premises for Student Activities

Hyderabad Branch also caters to students of Telengana as well as from neighbouring states viz. Andhra Pradesh, Orissa, Maharashtra etc. In order to have fixed classroom for all activities and to meet the demand of students for ITT, Advanced ITT, OC & MCS courses, we have rented new premises at Sony Complex, Balanagar, of 16000 sft and the repair work is going on at full swing. In normal circumstances, we would have commenced the activities in new premises. However, we at Branch are making efforts to keep the premises ready when the Classes resume in near future. A full-fledged reading room facility is also being planned which can cater to about 200 students. One administrative wing of the Branch has also been planned at the premises. I compliment CA. Machar Rao Meenavalli, Vice-Chairman Hyderabad Branch of SIRC for taking the lead in developing the new premises with active help of CA Satish Mylavarapu.

Pandemic & Beyond

March 2020 can never be forgotten by any of us as it is from this month the dreaded Pandemic Covid 19 stuck the world paralysing the activities of everyone. Almost all of us are facing the First and hopefully the last Pandemic of our lives. The times are tough but the Chartered Accountant Fraternity has repeatedly proved that we are Tougher. Each one of us ensured that, after a brief slowdown in activity, works resumed normally by actively embracing technology. Work from Home (WFH) became the new mantra, as we battled the challenges thrown by the pandemic, using technology as an effective lever to not only deliver on our professional commitments, but also keep our staff and ourselves safe. Completing the Bank audits in the midst of the raging pandemic is a shining example of how our members continue to impress and inspire with their resilience and adaptability, seizing opportunities out of challenges, opening up new horizons.

Activities for Members

During the Financial year 2019-20, several programmes, seminars and workshops of relevance were conducted, with each and every programme receiving excellent participation from Members. Profession 2.0 conducted in July 2019 on Forthcoming technologies earned rave reviews for Hyderabad. Sub Regional conference was also held in Hyderabad in the month of December which saw attendance of about 1300 members. Study Groups on Companies Act and GST were active throughout the year.

The Hyderabad Branch of SIRC has been organizing a

series of Webinars and Virtual CPE Meetings on various topics of professional relevance, which were well received by the members. Apart from topics of Professional interests, the Branch has also conducted Non-CPE Webinars such as “Realise, Relish and Rise” and “Beyond Boundaries”, wherein the best of Resource Persons from across the country shared their expertise in various fields. The Branch, in its endeavour to train more members in the field of GST, also launched a 20-day workshop titled “Basics of GST for Beginners” wherein the GST experts from Hyderabad have shared their knowledge and practical issues being faced by them with the participants. We had received a communication from ICAI to stop all Physical activities at Branch from March 13th 2020. We all are proud to share with you that we have conducted webinar/Virtual meetings on 45 days, from announcement of Lockdown till date including programmes like Cyber Security, Digital Taxation, Usage of Tools and Technologies in Profession wherein experts of distinct repute, from different parts of the Country, have enlightened the participants with deep insights and practical solutions to the issues raised. The online mode of delivery was very effective in terms of pointed questions being raised, discussed and resolved. We assure you that we shall continue to come up with programmes of such relevance in months to come.

72nd CA Day was celebrated at Hyderabad Branch of SIRC on July 1, 2020 with participation of Branch Managing Committee Members and Branch Staff. The Celebration was limited to the few participants as per the Government guidelines due to Covid-19. Flag Hoisting was done at Branch Premises, followed by planting of saplings and distribution of face masks to Branch Staff.

Branch celebrated Independence Day & Republic Day by Hoisting National flag at Institute premises. Blood Donation camp and ENT Check-up camp was also organized for the benefit of stake holders. The Mobile App “HYDICAL” was also launched which contains the programmes conducted by the branch.

Details of all the programmes conducted from the conclusion of the previous AGM till date are given elsewhere.

Activities for Students

During the year 2019-20, many programmes were organized in areas of Curricular and Non Curricular activities. Coaching classes were conducted for Foundation, IPCC and Final students. Crash courses were also conducted for the benefit of students taking the examinations. Hyderabad Branch also conducted Mock tests for students under the aegis of Board of Studies, ICAI. Hyderabad Branch in its endeavour to digitally equip the CA students has conducted numerous batches of ITT and Advanced ITT. Student Speakers forum to develop young speakers was well attended and widely accepted. Hyderabad branch of SIRC had the honour of conducting CA Students Conference during August 2019 which was attended by around 2000 students. The conference was also graced by BOS Chairperson, Central Council Members,

SIRC SICASA Chairperson and other dignitaries. SICASA Day was also conducted on December 1, 2019 with active participation of students and many events were conducted in connection with the same. SICASA Hyderabad has also conducted non-academic programmes such as sports events during the year wherein students participated in large numbers.

I Congratulate CAA Chinna Sitarami Reddy, Treasurer and CA Deepak Ladda, Secretary, for their excellent work for the benefit of our students, which is being continued by CA M S Rajambal.

AGM

I shall wholeheartedly welcome the Members to this year’s Historic AGM, being held in Virtual Platform for the First time, on Friday, 31st of July 2020 from 10 AM onwards. The link for registration for the AGM has been placed at Website of the Branch at www.hydicai.org. I request Members to register themselves so that we can send you the link for participation in the AGM. Keeping in view the present situation restricting physical meetings, we request you to email the questions relating to the Accounts for the Financial year 2019-20 to agmqueryhyd2020@gmail.com.

Gratitude

I once again take this opportunity to thank my Colleagues in Managing Committee, Regional Council members, Central Council Member, Faculty, Speakers in Various Seminars/workshops/Lecture meetings and all the members, for their participation in programmes of the Branch, and for the guidance and support extended for enhancing our shared professional environment. Not much can be achieved without the active participation and execution by the dedicated staff of Hyderabad Branch of SIRC. My wholehearted compliments and a big thank you to the entire staff of Hyderabad Branch for their commitment to the cause of the Branch.

I conclude quoting Benjamin Franklin “Without Continual Growth and Progress, such words as Improvement, Achievement and Success have no meaning”. Let us keep growing with knowledge and experience and attain newer heights of glory.

Yours Sincerely,

CA. Pankaj Kumar Trivedi
Chairman

INDEPENDENT AUDITOR'S REPORT

To
The Members of Hyderabad Branch of SIRC
The Institute of Chartered Accountants of India
Report on the Audit of the Financial Statements
Qualified Opinion

We have audited the accompanying financial statements of Hyderabad Branch of Southern India Regional Council (SIRC) of The Institute of Chartered Accountants of India ("the Institute"), which comprise the Balance Sheet as at March 31st, 2020, and Statement of Income and Expenditure for year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:-

Basis for Qualified opinion

1. Various balances under Inter Unit Balances pertaining to Head office are subject to confirmation and reconciliation. In the absence of the information we are unable to quantify about consequential adjustments of Inter Unit Reconciliation.

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and we have fulfilled our other ethical responsibilities in accordance with the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the accompanying financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Institute's Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of the entity in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by ICAI, and provisions of Chartered Accountants Act, 1949. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Institute and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease Operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Accompanying financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Report that the audit at the Regional level is not be able to conclude on the appropriateness of Management's use of the going concern basis of accounting and based on the audit evidence obtained at the Region, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the institutes ability to continue as a going concern

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of Matter Paragraph

We draw attention to Note B Point No.2 of the financial statements, which describes the effects of Accounting as Fixed Assets or treat as Current Assets (Pending Capitalization) pending authorities approval. Our opinion is not modified in respect of this matter

Other Matters

Additional details are enclosed in Annexure – “B”.

Report on Other Regulatory Requirements

Further, we report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit except as mentioned in Basis of Qualified Opinion.
- b) In our opinion proper books of account as required by Chartered Accountant Act, 1949 have been kept by the Hyderabad Branch of Southern India Regional Council of The Institute so far as appears from our examination of those books.
- c) The Balance Sheet, Statement of Income and Expenditure, dealt with by this Report agree with the books of account.
- d) In our opinion, the Balance Sheet, Income and Expenditure Account comply with the relevant Accounting Standards.

(That person who is awake is those that sleep, shaping desire after desire, that, indeed, is the pure. That is Brahman, that, indeed, is called the immortal. In it all the worlds rest and no one ever goes beyond it. This, verily, is that, kamam kamam : desire after desire, really, objects of desire. Even dream objects like objects of walking consciousness are due to the Supreme Person. Even dream consciousness is a proof of the existence of the self.

No one ever goes beyond it : of. Eckhart : 'On reaching God all progress ends.')
