

JAYASHREE KRISHNA & CO.,
CHARTERED ACCOUNTANTS

Articleship Vacancies at Jayashree Krishna & Co.

We are pleased to inform you that Jayashree Krishna & Co., our esteemed firm, currently has openings for Articled Assistants.

Our firm specializes in providing top-notch services in the following areas:

Digital Transformation: We excel in implementing state-of-the-art ERP solutions such as SAP and Microsoft, enabling our clients to undergo a seamless digital transformation.

Data Analytics-led Cost Optimization: Leveraging tools like Microsoft Power BI, we utilize data analytics to optimize costs for our clients, delivering efficient and cost-effective solutions.

Business Process Setup and Controls: We assist our clients in establishing robust business processes and implementing relevant controls to enhance operational efficiency.

Business Analytics and Management Information Systems (MIS) Reports: We provide comprehensive business analytics services and generate accurate MIS reports, enabling our clients to make informed decisions.

Business Process Automations: We specialize in automating business processes, streamlining operations, and increasing productivity.

Internal Audits: We conduct internal audits to ensure compliance and identify areas for improvement within our clients' organizations.

Successful candidates will have the opportunity to gain valuable experience in the aforementioned fields, acquiring both technological as well as functional skills. They will receive hands-on training on world-class software applications such as SAP and the Microsoft Suite (Power BI, Excel, Word, and PowerPoint). This exposure will equip them with the necessary expertise to thrive in the digitized world.
