About Fourth Partner Energy

Founded in 2010 and headquartered in Hyderabad, Fourth Partner Energy is one of India's leading renewable energy companies, focused on building and financing solar, wind, hybrid, battery-storage, and e-mobility solutions for commercial, industrial, and institutional clients. As a full-service Renewable Energy Services Company (RESCO), we offer end-to-end capabilities spanning evaluation, design, planning, procurement, construction, operation, and maintenance of clean-energy infrastructure.

With projects executed across distributed solar and open access, we serve leading corporates across India and Southeast Asia and are backed by marquee investors including Norfund, TPG's Rise Fund, IFC, ADB, and DEG. We believe every stakeholder - customer, supplier and employee - is the 'fourth partner', and we are committed to partnering with our clients on their journey to Net Zero.

We Are Looking for CA Students With

- Eagerness to learn about debt financing and renewable energy markets
- Strong knowledge of Indian financial statements
- Good interpersonal and communication skills
- Proficiency in MS Suite
