Subject: Welcome to the Coneio Exim Private Limited Internship Program!

Dear CA Interns,

Welcome to Coneio Exim Private Limited! We are thrilled to have you join our team for the next three months as part of our prestigious internship program. Your expertise in the field of Indirect Tax, combined with our innovative project in integrating eco-system value-added partners (ESVAPs) with modern technologies, promises to be an exciting and enriching experience for all involved.

As CA interns, you bring a wealth of knowledge and skills that are integral to the success of our project. Your understanding of indirect taxation will play a crucial role in navigating the complexities of cross-border marketplace transactions, ensuring compliance, and maximizing efficiency.

Throughout the duration of the internship, you will have the opportunity to work closely with our team of professionals, gaining hands-on experience and contributing your expertise to real-world projects. You will be actively involved in the implementation of our technology-based platform, utilizing modern technologies such as Machine Learning (ML), RFID, AI to providing HS code services, sea route planning, consulting, regulatory compliances and facilitating an E-commerce platform for sellers and buyers, your contributions will be integral.

We encourage you to fully immerse yourselves in the internship experience, asking questions, sharing ideas, and embracing new challenges. This is an opportunity for personal and professional growth in a dynamic and challenging environment.
