WHY TRAIN WITH US

M Vaishnav & Associates is a boutique Chartered Accountancy firm in the heart of Hyderabad. We are looking for Article Trainees and Paid Assistants who genuinely want to learn the skills of a Chartered Accountant - to apply theory to live engagements, take ownership early, and grow into well-rounded professionals through their tenure with the firm.

- **Learn directly from the partners.** In a small, close-knit team you won't be lost in a crowd - you work shoulder-to-shoulder with the partners and get hands-on mentoring every day.
- **Real responsibility, real exposure.** From day one you handle meaningful work across audit, taxation, GST and compliance - not just filing and photocopying.
- **Smart-work culture.** We value automation and AI tools that cut out manual effort — if you enjoy working smarter with technology, you'll thrive here.
- **Built for the long run.** The breadth of our practice helps you discover your strengths and lay a strong foundation for your CA career.

WHAT WE EXPECT FROM YOU – HUNGER FOR GROWTH & LEARNING

- **Responsible, accountable and disciplined** in everything you take on.

- **Serious about your career** and committed to making the most of your training.
- **Eager to learn** and to apply concepts to real-world engagements.
- **Comfortable with technology** — a passion for automation and AI tools is a strong plus.
