विषय: Performance Audit on "Taxation/ Assessment of Start-up Enterprises with the perspective of Ease of Doing Business" reg.

महोदय,

Comptroller and Auditor General of India (CAG) has undertaken a **Performance Audit on "Taxation/ Assessment of Start-up Enterprises with the perspective of Ease of Doing Business"**. The study also seeks to examine the aspect of ease of doing business for the start up enterprises in complying with provisions of Income Tax Act, Forms, etc, applicable to start up enterprises, and administration of provisions by department.

As Chartered Accountants play a significant role in advising and assisting start-up enterprises in matters relating to taxation and regulatory compliance, it is proposed to obtain feedback from members of the profession on the provisions of the Act, forms, etc, applicable to start-up enterprises, from the EODB perspective.

For this purpose a survey questionnaire has been devised, and it is requested that the survey questionnaire may be circulated among Chartered Accountants associated with start-up enterprises, and encourage them to submit their responses through the following Google Form link, **at the earliest**.

In this connection, one officer of this office Sri D. Veera Mohan, Sr. Audit Officer, is deputed to co-ordinate with the institute in this regard. Further, it is requested to furnish details of the Chartered Accountants to whom the link has been circulated in the following format to radtsplsao.hyd.pdac@cag.gov.in:

Sl.No.	Name of Chartered Accountant	Phone No.	Email Address

It may kindly be communicated to the participants that **abrowser warning**

pop-up may appear while accessing the Google Form link. The same may be **ignored and users may proceed further** to submit the questionnaire responses. Your support and cooperation will greatly assist in identifying focus areas and understanding the issues and challenges faced by taxpayers in their interaction with the Income Tax Department.
