

**Vacancy for qualified and semi qualified chartered accountants**

We are a firm with 40 years standing engaged in the following areas of practice

- a) Income Tax related work including filing Income tax returns, TDS returns and representation<sup>n</sup> before the income tax authorities
- b) Statutory and Tax Audit for companies
- c) Tax audit for partnership firms, proprietary concerns and Individual professionals
- d) Consulting on matters relating to Income tax
- e) GST audits and related certificates
- f) Company Law compliance related services
- g) Compilation of Project reports
- h) Credit appraisal related work for a large multinational bank
- i) Bank Audits
- j) Other related professional work

We are looking for qualified and semi qualified chartered accountants to work as paid assistants to help us execute the above works. They will be given an environment to learn and grow and to succeed to be competent chartered accountants.

**Salary will be based on experience and period of commitment to be in employment with the firm.**
