**About Recykal (<https://recykal.com/>) (Legal Name: Rapidue Technologies Private Limited)**

Recykal is India's leading tech platform driving behavioural change for the circular economy at scale. Recognised with the prestigious **Digital India Award**, we have been instrumental in channelling over a million tonnes of waste away from landfills, empowering over **600+ brands, 675+ recyclers**, and **12,000+ businesses** across the country. Backed by marquee investors like **Morgan Stanley** and **Circulate Capital**, Recykal is redefining how waste is managed and repurposed through cutting-edge digital solutions that promote transparency, traceability, and sustainability.

At Recykal, we believe in creating real-world impact for the environment, communities, and businesses. Joining us means you're not just working in finance; you're enabling a cleaner, greener future.

#### Why Join Us?

**Purpose with Profit:** Your work will directly contribute to India's sustainability goals.

**Exposure:** Work with a dynamic finance team that interfaces with cross-functional units and external stakeholders like investors, auditors, bankers, and others.

**Growth:** We are committed to grooming fresh talent. You'll gain practical exposure to real-time finance operations, compliance, and sustainability-linked reporting.

**Culture:** Experience a collaborative, impact-driven, and innovation-first workplace.

#### Role & Responsibilities

As a **CA or Semi Qualified CA**, you will be an integral part of our finance team and will get hands-on exposure to:

- **Financial Accounting:** Assist in preparation, finalisation & consolidation of financial statements as per applicable standards.
- **Audit & Compliance:** Support in statutory, internal, IFC & due-diligence audits, working closely with auditors and investors to ensure compliance.
- **Taxation:** Assist in preparation and filing of returns (GST, TDS, Income Tax) and other regulatory requirements.
