Esteemed Members

Warm Greetings!

"Arise, awake, and stop not till the goal is reached." – Swami Vivekananda

As we step into the month of August, I extend my heartfelt greetings to each one of you. The inspiring words of Swami Vivekananda remind us that perseverance, dedication, and continuous learning are the cornerstones of excellence. As Chartered Accountants, we are entrusted with upholding the highest standards of professionalism, integrity, and service to society.

The month of July was filled with vibrant activities, meaningful interactions, and enriching learning opportunities for both members and students of the Hyderabad Branch. It was heartening to witness the enthusiastic participation and unwavering support of our members, students, faculty, volunteers, and stakeholders in making every programme a success.

We proudly celebrated CA Day on 1st July 2026, commemorating the glorious legacy of the Institute and reaffirming our commitment to the profession. The celebrations reflected the unity and pride of our fraternity.

Our Residential Refresher Course at Srisailem on 3rd and 4th July 2026 provided members with an excellent platform for professional learning, networking, and rejuvenation. The Women's Study Circle Meeting held on 4th July 2026 witnessed active participation and insightful deliberations on topics of professional relevance.

Recognising the importance of technology in today's dynamic environment, the Branch organised the ABCD Microsoft Tools Training Programme from 6th to 11th July 2026, enabling participants to enhance their digital productivity and workplace efficiency.

The Sunday on Cycle event held on 12th July 2026 promoted the importance of health, fitness, and environmental consciousness, while the Condolence Meeting on 15th July 2026 paid respectful homage to departed members of our fraternity, reflecting our shared values of compassion and remembrance.

A Condolence Meet is being organised to pay our heartfelt homage to the departed soul of CA Mahender Reddy, Past Chairman of the Hyderabad Branch.

We fondly remember his invaluable contributions and dedicated service to the profession and the CA fraternity.

FROM THE CHAIRMAN

The Branch also organised the Indirect Taxes Study Circle Meeting on 15th July 2026, providing members with valuable updates and practical insights into evolving indirect tax provisions.

For our student fraternity, July was equally engaging. The Sports Carnival held on 19th July 2026 encouraged teamwork, discipline, and sportsmanship among aspiring Chartered Accountants. The Excel Automation Master Class Webinar on 26th July 2026, led by Mr. Balram Vinayak Singh, equipped students with practical automation skills that are increasingly valuable in today's professional landscape.

During the month, I also had the privilege of meeting the Chairman of SIRC of ICAI on 24th July 2026 to discuss initiatives aimed at strengthening member services, enhancing student support, and fostering greater collaboration for the overall development of the profession.

As we move into August, the Branch continues its commitment to delivering high-quality professional development programmes, student initiatives, and knowledge-sharing platforms. We encourage every member and student to actively participate in these programmes and make the most of the opportunities offered by the Branch.

As we enter the month of August, we also prepare to celebrate India's 80th Independence Day on 15th August 2026—a significant milestone in our nation's remarkable journey of freedom, progress, and resilience. Let us pay tribute to the sacrifices of our freedom fighters by reaffirming our commitment to nation-building through integrity, professionalism, and excellence.

The Hyderabad Branch has planned a series of insightful technical programmes, seminars, and professional development initiatives for our members during the month. I warmly invite each one of you to actively participate in these programmes, enhance your knowledge, stay abreast of the latest developments in the profession, and connect with fellow professionals. Your enthusiastic participation is the driving force behind the Branch's success, and together, let us continue to learn, grow, and contribute meaningfully to the profession and the nation.
